**SUCHGOOD** [*suhch - good*]

*adjective*

1. used as an expletive to describe one's love for a song, artist or record beyond 'Good', 'perfect', etc. etc.

example: Sam's Town by The Killers is suchgood.

2. When you can appreciate a record from beginning to end, with so much enthusiasm it is borderline obsession.

This magazine is simply about my favorite people talking about their favorite things.
